## Message from General Secretary

As on date, IMT Faridabad is the most promising Industrial Estate of the region. The success and growth of industrial units operating out of IMT Faridabad is the sole mission of IIAF. The purpose behind IMT Industrial Expo is to offer a platform to the industries operating out of IMT Faridabad and nearby region to showcase their products, innovations and capabilities. We have had 2 editions of very successful IMT Industrial Expos. I am sure that the 3rd edition of IMT Industrial Expo shall be bigger and better ! I invite my fellow industrialists to come forward and join hands with IIAF, and be our partners of growth!

I'll quote a wise man here, "Coming together is a beginning, staying together is progress, and working together is success."
